HYMNS FOR ALL

Last year Middleton Cheney Singers experimented with a new concert concept of favourite hymns and classical music which was well received, consequently they will be doing a similar event again this year. Raising money for the church roof repair, put it into your diary, Saturday 6 April at 2.30pm. Come along and have a good sing !

REROOFING MORRIS

We have held a meeting with the contractor who is going to repair the roof, Shaun Ward of Prestige Metal Roofing based in Leicester. The work on the roof will start on 23 April, the day after Easter Monday. The windows close to the position of the scaffolding will first be covered on the outside with correx plastic sheeting in order to protect them. The consequence of this will be reduced light levels within the building. The scaffolding will then be erected with the materials hoist being located in the corner near the north west door. There will be a secure storage area for the building materials, down by the churchyard shed. The building and churchyard will become a designated construction site. For safety reasons we plan to restrict entry to the building to the south door and also to strongly discourage people from walking through the churchyard, walking around the building via the Lanes will be alternative route. **The church will remain open during the whole period of the works, with week time activities and weekend services running as usual.** There will be no restrictions on the internal use of the building. Normal construction working hours will be 8.00am to 4.00pm. The works contract runs to 4 November, but we expect that the work will be finished a little before then. If you have any queries contact David Thompson, 12 Church Lane, Tel: 711115. We have secured the grant from the National Lottery Heritage Fund, but we still need to raise £50,000 as our contribution to the cost.
