Back Supports and large print copies of hymns are available, as well as in induction hearing loop – please ask for details of how to make use of this. Toilets & baby changing facilities are located at the back of the church under the bell tower. Children are very welcome at all our services and there are activities available for them. If you have young children, please ask for a ‘pew bag’ which contains some specific toys/activities for them or please make use of the children’s area. Please check the notices for children’s activities.

## ROOF REPAIR UPDATE

All the lead as now been stripped off the nave roof, its scrap value had already been built into the cost structure of the project. The nave roof was last rebuilt in 1865, detailed investigation shows it to still be very sound, with the timbers not in need of any repair. The construction of a new roof over the existing one will start soon; this will provide a flat base for the stainless-steel replacement for the lead. An investigation of the exposed roof by the bat ecologists has failed to show any evidence of bat roosts in this part of the building, so this is an additional piece of good news. We have put bat boxes in the flowering cherry tree at the east end of the building, in case any bats are disturbed by the construction work.
